

Wisconsin Business Leadership Network

MISSION AND VISION STATEMENT

Mission

The Wisconsin Business Leadership Network is a partnership of employers, government and community service organizations that is dedicated to integrating people with disabilities into Wisconsin's workforce.

Vision and Goals

The Wisconsin Business Leadership Network will:

- *Raise Awareness* in the employer community about the opportunities and benefits of including people with disabilities in their company.
- *Educate* employers about the resources that are available to help them integrate people with disabilities into their workforce
- *Train* employers to successfully recruit, hire and maintain a diverse workforce that includes people with disabilities
